

NEW YORK STATE SENATOR

Andrew J. Lanza

Have you been physically, emotionally and/or medically affected by Hurricane Sandy? The Visiting Nurse Service of New York (VNSNY) is available to help you manage your health care needs.

ANDREW J LANZA November 27, 2012

to help you with managing your health care needs.

In the aftermath of Hurricane Sandy, VNSNY is going beyond just providing just home- and community health care services.

We are here for you wherever you may be living to help you manage your health care needs, including:

- Medical needs assessment
- Skilled nursing care
- Medical social work services
- Services to treat emotional conditions
- Coordination and help with getting medications
- We can help reconnect you back to your primary care provider
