41 Members of Bushwick Gang off Our Streets

MARTIN MALAVÉ DILAN December 13, 2012

Thanks to the continued diligence of the NYPD and King's County District Attorney Charles Hynes, 41 members of the TBO gang are facing lengthy jail sentences stemming from a two-year spree of crimes in Bushwick and neighboring communities.

According to DA Hynes, members of the Bushwick gang, with members as young as 12 years old, have been charged with multiple counts of murder, attempted murder and armed robbery. I commend District Attorney Hynes, NYPD Commissioner Kelly and our brave NYPD officers for their steadfast commitment to keeping our streets safe.
