December 14, 2012

DECEMBER 31, 2012

After December 31st, you can no longer place loose debris in the Street for Department of Sanitation Collection.

Home renovation contractors must hire a private sanitation company to collect construction debris.

Home owners who have large amounts of debris to be removed must hire a private sanitation company and get a container for the debris.

Bulk material and other small items will be collected by the Department of Sanitation as they have prior to the Hurricane.

Place bulk items out on your regular collection day.

Tree debris will be collected by the Parks Department by calling 311.
