

NEW YORK STATE SENATOR

Liz Krueger

Letter to CBS Regarding AirBnB and the Illegal Hotel Industry

Liz Krueger

December 21, 2012

Sen. Krueger sent the following letter to CBS *This Morning* executive producer Chris Licht, regarding a segment promoting and inaccurately characterizing the "AirBnB" online service. AirBnB and similar websites enable the illegal hotel industry, which puts tourists and neighborhood residents alike at risk, and removes affordable apartments from a housing market that is already stretched too thin.
