Senator Adams was one of the guest speakers at the Community 2 Community commemoration event, where he spoke about the educational efforts in Haiti after the 2010 earthquake. Community 2 Community is a non-profit service organization, to give these individuals a place to come together and share their expertise in a variety of areas – from education to medicine and from carpentry to communications – toward C2C’s goal of establishing lasting change in Haïti, and ultimately, other communities ravaged by chaos.
