

NEW YORK STATE SENATOR

Ted O'Brien

A visit from Miss New York

Ted O'Brien

January 29, 2013

Penfield's own Liza Cotter, Miss New York from the National American Miss organization, stopped by my office today.

She told me about her work fighting cyber-bullying alongside Citizens Against Teen Suicide. She is a remarkably poised and articulate young woman and I wish her great success in drawing attention to a very important cause during her reign.
