

NEW YORK STATE SENATOR

Martin Malavé Dilan

Property, School Tax Credit Assistance

MARTIN MALAVÉ DILAN February 14, 2013

On Saturday, Feb 23, Senator Martin Malave Dilan's office will be open from 9:30 a.m. to 2 p.m., to assist district seniors who wish to file IT-214 and NYC-210 tax credit forms.

IT-214 is a real property tax credit for homeowners and renters. You must have an income under \$18,000, a home with a market value of \$85,000 or less or a rent of \$450 or less. You can even get this tax credit retroactively for the last three years.

City of New York School Tax Credit (**NYC-210**) is available to all New York City residents who don't file taxes. A single person can receive \$62.50 and a married couple \$125.
