JOSEPH E. ROBACH March 12, 2013

| ISSUE: **HOUSING**

Recently, I had the privilege to attend, and speak at, the dedication ceremony for a Habitat for Humanity Home in Rochester. Seven churches were involved in fundraising and volunteering to build the home.

The churches involved in this home were Aldersgate United Methodist, Bethany Presbyterian, Greece Baptist, Greece United Methodist, Hope Lutheran, Messiah Lutheran and Trinity Episcopal, with help from Holy Cross Roman Catholic.
