Getting New York back on track

The Post Sandy Job Fair for Greater New York promises a means for employers to give support to the recovery effort in the most significant and long lasting way - by offering job-seekers employment opportunities that will provide them with the lifeline they really need! Creating this positive momentum will come back to businesses in the form of a stimulated economy.

Date: May 14, 2013

Location: Resorts World NYC, 110-00 Rockaway Blvd., South Ozone Park, NY
