Walkers Raise Money to Help Fight MS

JOSEPH E. ROBACH May 8, 2013

| ISSUE: **FAMILIES, HEALTH, WOMEN'S HEALTH, MEN'S HEALTH**

On Sunday, May 5th, the 2013 Greece MS Walk was held, beginning at Greece Olympia High School. Funds raised give hope to the more than 12,800 people living with MS in Upstate New York, and help support life-changing programs and cutting-edge research. The walk has taken place since 1988 and has raised more than \$10 million dollars to help support people living with MS.
