

NEW YORK STATE SENATOR

Joseph E. Robach

Speaking With Students at Leadership Academy for Young Men

JOSEPH E. ROBACH May 28, 2013

| ISSUE: **EDUCATION, YOUTH**

Earlier this morning, I had the privilege to speak with students at the Rochester City School District Leadership Academy for Young Men. We discussed the duties of state government and what students need to do to be successful throughout high school and beyond. Here I am photographed with principal Wakili Moore and some of the students from the Leadership Academy for Young Men.
