Ms. Marion Romain has been a faithful volunteer in our District Office for more than 5 years. An active senior citizen, Ms. Romain has an extensive background in office operations, having worked for numerous entities until her retirement in the early 1980's. Every Tuesday morning, Ms. Romain is at her assigned post in the District Office, assisting greatly with receptionist duties and answering the phones. Full of energy and sharp as a tack, Ms. Romain also assists us with various community events outside of the office, and is always willing to lend a hand. We salute you, Ms. Romain, and we appreciate all that you do!
