Senator David J. Valesky Speaks to Students Taking Part in Summer Science Week

DAVID J. VALESKY July 9, 2013

| ISSUE: **EDUCATION**

On July 8, Senator Valesky spoke to 77 middle school students who are participating in the Honeywell Summer Science Week at the Museum of Science and Technology. They spent the morning on Onondaga Lake learning about bird habitats. He congratulated these students for continuing their education during summer vacation.
