Joseph E. Robach

City of Rochester & RochesterWorks Summer Youth Employment

JOSEPH E. ROBACH July 9, 2013

| ISSUE: **YOUTH**

Last night, I had the pleasure of welcoming participants of this year's City of Rochester and RochesterWorks summer employment program. I'm pleased to say that I've helped secure funding for this program the past few years; with the support of Mayor Richards and the City of Rochester, we're able to help over 400 youth gain summer employment and learn valuable skills for their future.
