

NEW YORK STATE SENATOR

Joseph E. Robach

Rochester Regional Community Design Center Fund Program

JOSEPH E. ROBACH July 12, 2013

| ISSUE: **ECONOMIC DEVELOPMENT**

Earlier this week, I joined Joni Monroe , Executive Director of the Rochester Regional Community Design Center, to announce the first two grant recipients of their development & design fund program. This program provides grants to non-profits seeking to implement physical improvement projects in the City's northeast neighborhoods, and is funded by the generous Farash and Wolk Foundations.

Congratulations to the Dazzle School of Visual & Performing Arts, which is relocating to a building on Webster Avenue, and the Joseph Avenue Business Association, which is opening

the Joseph Avenue Museum of History & Religion at 692 Joseph Avenue.
