

NEW YORK STATE SENATOR

Terry Gipson

Board Members of the New Day Repertory Company

TERRY GIPSON July 24, 2013

Just had a very interesting meeting with the board members of the New Day Repertory Company. I learned about their rich history and their plans to relaunch the company with a new schedule of exciting productions. It is important that we continue to support the arts, which are such vital part of our culture in the Hudson Valley.
