

NEW YORK STATE SENATOR

Terry Gipson

The National FFA Organization

TERRY GIPSON July 24, 2013

The National FFA Organization (formerly Future Farmers of America) envisions a future in which all agricultural education students will discover their passion in life and build on that insight to chart the course for their educations, career and personal future. As a member of the Agriculture Committee it was a pleasure to meet with representatives from the organization. For more information see the link below.
