

NEW YORK STATE SENATOR

Terry Gipson

Dutchess County Tourism and Dutchess County Economic Development Corporation

TERRY GIPSON July 24, 2013

The Hudson Valley is one of the best places on Earth to live and work. I am committed to helping others see firsthand all that we have to offer. To that end, I met with Mary Kay Vrba, Director of Dutchess County Tourism and Catherine Maloney, President and CEO of Dutchess County Economic Development Corporation to discuss bringing more people to the Hudson Valley to enjoy our riches.
