Dutchess ARC's Snowball event

TERRY GIPSON July 24, 2013

Dutchess ARC is a non-profit agency that has been serving children and adults with developmental disabilities and their families in Dutchess County since 1971. Michelle and I were delighted to attend their SnowBall this weekend. Pictured with me are Mark Metzger, Tom Frost, Aimee Vargas, Crys McCuin and Corinne Weber. Learn more about ARC at dutchess-arc.org.
