Senator Jack M. Martins sends his congratulations overseas to Beijing China, where the Elmont Memorial High School Model United Nations team captured Best Delegation honors in an international competition. Senator Martins met with the team prior to their leaving and wished them good luck, telling them that he was proud to be representing these young men and women in the New York State Senate. The team and Principal John Capozzi then went to Beijing and showed the world what Elmont pride was all about! Congratulations

Elmont Memorial!
