Joseph E. Robach

Greece Community Partners Volunteer Recognition

JOSEPH E. ROBACH August 26, 2013

On Saturday afternoon, the Greece Community Partners held their annual Volunteer recognition ceremony at the Greece Community & Senior Center. I was pleased to be invited to help recognize this year's 22 honorees. Each honoree has given their time and dedication volunteering in our community. It's people like these recipients that make the Town of Greece a great community.
