Greece Central School District Summer Commencement Ceremony

JOSEPH E. ROBACH August 30, 2013

| ISSUE: **EDUCATION**

Last night, the Greece Central School District held its summer commencement ceremony at the Greece Athena Performing Arts Center. 18 students from all four Greece High Schools received their High School Diploma, along with 88 graduates receiving their Adult Literacy GED Diploma.

This is a true testament to the hard work and dedication of these students, many of which have overcome hardship in their lives. Congratulations and best of luck in all your future endeavors!
