Elizabeth Wende Breast Care Ribbon Cutting

JOSEPH E. ROBACH October 2, 2013

October is Breast Cancer Awareness month, so it was fitting that the Elizabeth Wende Breast Care facility held its ribbon cutting for its new Greece location this afternoon. I was honored to be able to help welcome this great healthcare center to the Town of Greece.

As a leader in breast imaging and breast cancer diagnosis, this new facility will provide greater access to experience professionals for those in need. Thank you for all you do and best of luck at your new location.
