

NEW YORK STATE SENATOR

Thomas F. O'Mara

Message Delivered, Again

THOMAS F. O'MARA October 9, 2013

On the same day that the Washington D.C.-based Tax Foundation called New York State's business tax climate the worst in the nation, the state Senate Majority Coalition held a public hearing at Corning Community College and heard the same message from local and statewide business leaders and economic development officials: New York State is overtaxed, overregulated and too costly.
