Thank You VNSNY for Our Successful Free Flu Shot Event

BRAD HOYLMAN October 17, 2013

On October 16, Visiting Nurse Service of New York (VNSNY) came to my district office to administer free flu shots to constituents from across my district. Over the course of three hours, VNSNY nurses gave a total of 88 flu shots; I was happy to get one myself. If you have not already gotten your flu shot, please visit the New York City Department of Health and Mental Hygiene's flu prevention website at nyc.gov/flu to identify a provider near you.
