

NEW YORK STATE SENATOR

Joseph E. Robach

Visit to Neil Armstrong Elementary School

JOSEPH E. ROBACH November 13, 2013

| ISSUE: **EDUCATION**

Yesterday afternoon, I had the pleasure of speaking to the 5th grade of Neil Armstrong Elementary School in the Town of Gates about the role of State Government and my job as a State Senator. I was so impressed with the attentiveness of the students and all the great questions they had for me. Thanks to Principal McGary and Mr. Antinelli for the invitation.
