Additional Free Mammogram Event on January 10

BRAD HOYLMAN December 18, 2013

Due to the overwhelming response to the free mammography event I hosted in mid-December, I have added a second date. On Friday, January 10, from 1:30-4:00 p.m., Project Renewal's Scan Van will once again be parked on First Avenue between 16th and 17th Streets to provide free mammograms, by appointment, to women 40 and over who haven't had one in the past year. Annual mammograms help detect breast cancer in its earliest, most treatable stage and can save lives. Space is limited, so please call (800) 564-6868 to make your appointment. For more information please see the flyer below or contact my office at (212) 633-8052.
