Michael F. Nozzolio

Senator Nozzolio honored at Sampson Veterans Memorial Cemetery

MICHAEL F. NOZZOLIO December 26, 2013

Romulus- I was recently honored at the Sampson Veterans Memorial Cemetery for my efforts to create the cemetery and for my steadfast support of our Country's veterans. Bill Yale, Executive Director of the Sampson Veterans Memorial Cemetery and Bob Hayssen, Chairman of the Seneca County Board of Supervisors, unveiled a plaque which has been mounted on a large boulder and placed in front of the firehouse, the future home of a chapel that will be used during committal services.
