Senator Nozzolio helps dedicate the municipal solar project at the Seneca County Law Enforcement Center

MICHAEL F. NOZZOLIO December 27, 2013

Romulus- Senator Mike Nozzolio recently joined several state and local officials as well as members of the business community to celebrate the formal dedication of the municipal solar project at the Seneca County Law Enforcement Center. The project will provide clean, green energy and is estimated to save Seneca County taxpayers over \$1 million over the next several years. The project is the brainchild of Michael Johnson, a Seneca County native, whose grandfather, Lloyd Johnson established L.A. Johnson Construction Company.
