Flushing, NY—Senator Toby Ann Stavisky (D-Flushing) was honored with the Public Service Award for her exemplary record of service to the Chinese-American community at a celebration hosted by the American Chinese Women's Association of New York.

“I am honored to receive this award from Ethel Chen and the American Chinese Women's Association of New York, an organization that I have worked with closely throughout my tenure on issues important to the Chinese-American community. But our work for better jobs and good schools is not done and I look forward to our partnership in the years to come,” said Senator Stavisky.
