

NEW YORK STATE SENATOR

Joseph E. Robach

NY Jobs for Heroes Program

JOSEPH E. ROBACH January 15, 2014

| ISSUE: **VETERANS**

I recently had the privilege of joining my colleagues in the State Legislature and Service-Connected Disabled Veterans at the NY Jobs for Heroes Program press conference. This program will create a state contract preference for service-connected disabled veteran owned small businesses in New York State. We are forever grateful for the service and sacrifice of our veterans, providing them with this opportunity is commonsense.
