2013 Year End Newsletter

JAMES SANDERS JR. January 16, 2014

"We have made some important strides in 2013 and 2014 looks to be even more promising. We are working with members of our community to address issues throughout the district in Southeast Queens and to provide better opportunities for our community. Please take a moment to read and share what we have been working on and I look forward to continuing building on our relationships."
