29th Annual Martin Luther King, Jr. Service

Joseph E. Robach

January 21, 2014

I was honored to join the Rochester community for the 29th annual Dr. Martin Luther King, Jr. Community Celebration. Dr. King inspired change in our nation by leading the Civil Rights movement. Even after his untimely death, at just 39 years old, Dr.

King's legacy and vision carries on. Many thanks to the Great Rochester MLK JR. Commission for planning and hosting this annual event.
