

NEW YORK STATE SENATOR

George D. Maziarz

Ogden Farmers' Library thanks Senator Maziarz for funding assistance

George D. Maziarz

January 28, 2014

Director John Cohen and the staff at the Ogden Farmers' Library recently sent a note and photograph to Senator George Maziarz thanking him for help in obtaining funds to purchase and install new computers. These new computers replace outdated ones that were ten years old. Patrons will surely benefit from the up-to-date equipment.
