Ribbon Cutting at Son House Apartments

| ISSUE: **HOUSING, COMMUNITY DEVELOPMENT**

I was pleased to join officials from the City of Rochester and New York State yesterday as we cut the ribbon on Providence Housing's latest development, Son House Apartments on Joseph Avenue. Son House Apartments offer 21 affordable one-bed room apartments with nearby access to the RGRTA bus line and retail shopping. Named after Eddie James "Son" House, Jr., a popular American blues singer with roots in Rochester, this another example of great work from Providence Housing.
