

NEW YORK STATE SENATOR

Martin J. Golden

Senator Golden meets with Guha Bala, one of the founders of Vicarious Visions

Martin J. Golden

March 20, 2014

Senator Golden meets with Guha Bala, one of the founders of Vicarious Visions. Vicarious Visions is a major creator of games for computers and play stations and other devices. Golden is sponsoring legislation to incentive a major expansion in the game development industry in New York, which is currently one-ninth the size of California's.
