Visit to Rochester Childfirst Network

JOSEPH E. ROBACH April 11, 2014

| ISSUE: **EDUCATION**

I had a great time visiting Rochester Childfirst Network and reading "Goodnight Moon" to a group of their students this afternoon. RCN has a long history of providing early education and child care to the Rochester community, and serves children from all socio-economic backgrounds. For more information, visit their website at www.rcn4kids.org. Thanks again for having me today!
