Earth Day 2014 Poster Contest: District 54

MICHAEL F. NOZZOLIO April 17, 2014

Thank you to the students throughout my district for their wonderful contributions to the New York State Senate's Earth Day Poster Contest! This year we received many outstanding posters that exemplify the creativity of the young people in the 54th Senatorial District.

Each entry from my District displayed tremendous originality and vision as well as obvious concern for the ecological future of our communities and our state. I am proud of the work from each of the students and thier classmates, and encourage our young people to continue

to study and learn more about the serious challenges that face our environment.
