ADDABBO, MILLER AND COMMUNITY WELCOME L&A DELI TO GLENDALE

JOSEPH P. ADDABBO JR April 14, 2014

Glendale, NY (April 14, 2014) – Senator Joseph P. Addabbo Jr. joined with Assemblyman Michael Miller and members of the Glendale community to welcome in the new L&A Deli, owned by long time resident Lou Lambros and his family.

“The Lambros family is an example of what makes this community great. Family businesses have kept Glendale, and many Queens communities, alive for years and it’s their commitment that makes this area such a vibrant, unique place to live,” Senator Addabbo said.

“We need to continue to fight for local stores such as this one, so our neighbors can maintain the quality of life they deserve. I look forward to many more sandwiches from L&A Deli and thank you to the Lambros family for making it possible.”
