

## NAMIWalks Rochester

JOSEPH E. ROBACH May 19, 2014

**ISSUE: MENTAL HEALTH** 

I recently joined the Rochester community at the annual NAMIWalks fundraiser at Village Gate. NAMIWalks is the areas largest mental health fundraising effort, raising over \$100,000 this year alone. For more information on NAMI Rochester, visit their website at www.namirochester.org. Thanks to everyone who came out in support or donated to this cause.
