Supporting the Coalition Against Sexual and Domestic Violence Abuse

TERRY GIPSON June 4, 2014

With October being Domestic Violence Awareness Month, I was honored to attend the Coalition Against Sexual and Domestic Violence Abuse Annual Recognition Breakfast & Membership Meeting at Vassar College, recognizing Dr. David A. Crenshaw, Det. Sgt. Jason Mark and Ms. Susie Balutis for their tremendous work in our community. They are an inspiration in my continued efforts to pass Rosie's Law, and give victims of sexual and domestic violence abuse a more compassionate justice system.
