Terry Gipson

Welcoming AT&T's expansion in Dutchess County!

TERRY GIPSON June 4, 2014

Pleased to join the Dutchess County Regional Chamber of Commerce and Poughkeepsie Supervisor Todd Tancredi in welcoming AT&T's continued investment in Poughkeepsie and commitment to jobs in Dutchess County, including a new and larger high tech wireless center. I wish them success in their new location as we continue to work towards growing our economy.
