Happy 1 year anniversary to the WEDC-MHV!

TERRY GIPSON June 4, 2014

Congrats to the [Women's Enterprise Development Center Inc.](#) Mid-Hudson Valley (WEDC-MHV) on their one year anniversary. I was happy to join Lea Bishop, Director of WEDC-MHV, Dutchess County Regional Chamber of Commerce President and CEO Charlie North and Town of Poughkeepsie Supervisor Todd Tancredi to celebrate their work helping small businesses and entrepreneurs in our community.
