Welcome The Center for the Prevention of Child Abuse to Poughkeepsie!

Terry Gipson

June 4, 2014

Wonderful to join The Center for the Prevention of Child Abuse at the opening of their new building in the City of Poughkeepsie. I was proud to secure a \$100,000 Economic Development Grant for its construction earlier this year. This is a special organization in our community and I look forward to their continued work in their new home.
