

NEW YORK STATE SENATOR

Terry Gipson

Businesses are constantly expanding in the Hudson Valley!

TERRY GIPSON June 5, 2014

Honored to take part in [My Health Quest](#)'s ground breaking ceremony for the construction of a new \$47 million, 87,000-square-foot medical pavilion at Northern Dutchess Hospital. This project will build upon the important medical services Northern Dutchess provides our region and help further spur our local economy.
