Senator Robach Helps Welcome NY Rangers to the State Capitol

JOSEPH E. ROBACH June 19, 2014

I was pleased to help welcome members of the NHL Eastern Conference Champion New York Rangers to the State Capitol yesterday afternoon. I'm pictured here with players Dominic Moore, Martin St. Louis and Derek Stepan, President & General Manager Glen Sather and Assistant General Manager Jim Schoenfeld. As great as it was to meet them, I still bleed Sabres' blue and gold!
