NBLCA Raises Hepatitis C Awareness

JOSEPH E. ROBACH June 30, 2014

| ISSUE: **HEALTH**

I joined members of the Rochester chapter of the National Black Leadership Commission on AIDS to help launch a campaign to raise awareness about the impact of Hepatitis C in our community. The NLBCA's campaign is seeking to improve testing and provide a better linkage to care for those who test positive. For more information visit www.nblca.org.
