Senator Nozzolio helps cut the ribbon at the Geneva Public Library

MICHAEL F. NOZZOLIO July 22, 2014

Geneva- Senator Mike Nozzolio recently helped to cut the ribbon at the formal opening of the Geneva Public Library's redesigned Children's reading area. As a longstanding and strident supporter of the library, Senator Nozzolio secured the necessary funding to make the improvements to the children's area and he also continues to support the important programs and services that the library offers to the community. Last year, Senator Nozzolio was named a 'Top Supporter' by New Yorkers for Better Libraries for his support of legislation to improve our local public library systems.
