Re-Lighting of High Falls

JOSEPH E. ROBACH July 24, 2014

| ISSUE: **LANDMARKS**

Last night, I joined Mayor Lovely Warren and the Rochester community to re-light High Falls in Downtown Rochester. I was pleased to secure funding to help pay for this project, which is not only re-lighting High Falls, but also improve and upgrade the adjacent Genesee Riverway Trail. The Falls will be lit 7 days a week with colored lighting Wednesdays through Sundays, and white lighting Mondays and Tuesdays. Be sure to come see this wonderful Rochester landmark at its finest!
