

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Environment NY "Top 10 States For Solar Power" News Conference

ANDREA STEWART-COUSINS August 5, 2014

| ISSUE: **ENVIRONMENT**

Democratic Conference Leader, Senator Andrea Stewart-Cousins joined Environment New York at a news conference in Yonkers, regarding the release of their report on the top 10 states for solar power. While our state is not in the top ten yet, Senator Stewart-Cousins says its on the way, with innovative programs and government comittment to provide the resources necessary so that more people turn to the sun as an energy alternative.
